Flagpoles

FLAGPOLE WITH ROPE

The rope is at the outside of the flagpole and goes through the top. Final, rope and rope fastener for attachment of the flag.

FLAGPOLE ANTI THEFT

The halyard is inside the pole. The rope can be accessed only when opening a small anti-theft door on the pole, closed with a key. The cam cleat is inside the pole. The flag cannot be stolen, and this avoids the noise of the rope on the pole.
